

Italy

May 19-29, 2023

Italy, with its rich Christian history, has unfortunately become spiritually stagnant. Our mission was to inspire unity among churches and breathe new life into evangelism efforts. Instead of organizing large outdoor festivals, we partnered with local churches to host intimate gatherings at restaurants. Our philosophy is simple yet powerful: friends bring friends to Jesus.

Of the 1,608 individuals who heard about Jesus through the various events, 253 decided to give their lives to Him! Knowing that each person matters to God, we are just as excited about these 253 as we are for the tens of thousands of new believers from our larger-scale outreaches around the world.

There is more joy in heaven over one lost sinner who repents and returns to God than over ninety-nine others who are righteous and haven't strayed away!

OUTREACH ACTIVITIES

A preacher shares Good News....

When we arrived at the location of our street outreach, we found a crowd of people busy with their various activities. Most only stopped briefly to listen to us. It felt somewhat discouraging until something amazing and unexpected happened! A group of kids on a field trip, accompanied by their teacher, took a genuine interest in the show. Our talented illusionist, Pasquale, wowed them with tricks. The teacher prompted the students to ask questions, and one of the kids asked Reid, "What is a preacher?" This opened the door for Reid to tell them that a preacher was someone who told Good News...and Reid shared about Jesus! All 17 students, and their teacher, decided to give their lives to Jesus!
