IMPACT REPORT

2024

# This spring, you took the Gospel to...

## Pakistan

Lahore, Pakistan | Feb 23 - 26, 2024

God is moving in Pakistan! In February, our team shared the hope of Jesus with 25,000 people in Lahore, Pakistan. We partnered with 300 churches and our dear friend and ministry partner, Pastor Asher, for two nights of festivals and a village outreach. One of the pastors who helped with the outreach shared, "The message renewed our souls again because Jesus is always looking for us." Amen!

## El Salvador

Ahuachapan, El Salvador | March 8 - 18, 2024

Through collaboration with Global Evangelist Alliance and Global Network of Evangelists, we helped saturate the entire nation of El Salvador for Jesus! This was our second time ministering to Ahuachapan and we were amazed to see how the body of Christ united and grew since last year. The number of churches partnering with us grew from seven to eighty! It was an incredible week of reaching people through targeted events for police, firefighters, women, businessmen, and families. We also mentored many children through baseball camps, a soccer tournament, and school assemblies. We believe this is the first fruits of many!

## OUTREACH SCHEDULE

Saturday & Sunday, Feb 24 - 25

- Two nights of festivals

Sunday, Feb 25

- Village outreach

**"I have been praying for this kind of crusade in our area for almost seven years, and God answered our prayer,"** said Suba Yousaf, a partner pastor from Lahore. We are rejoicing with the angels over the thousands who heard the Gospel proclaimed to them in Pakistan and made decisions for Christ. God always sends us to where the fields are ripe for harvest, and Pakistan is in a season to receive the Gospel!

**On the outskirts of Lahore, we had the humbling opportunity to visit a brick kiln village.** Here, families are bound by their debt to Muslim landlords, diligently molding bricks to sustain their livelihoods. However, amidst their daily toil, we were privileged to bring a message of hope and faith. We shared the Gospel with these families and offered prayers of strength and encouragement for them as they navigate their unique challenges.

**It was our hope that the ladies attending the women's event would feel cherished and cared for,** so every woman who attended was pampered with either getting their hair, make-up, or nails done, or receiving a massage. Some of them had never experienced such luxuries! Our masseuse for the event later shared that "There is a love here that I never experienced before" and gave her life to Christ.

**In collaboration with our friend Rick Williams, we were able to hold two baseball camps for kids,** weaving together the principles of the Gospel with the principles of baseball. We met a boy, Darvin, whose father recently died from Covid. The friend who invited him had won a baseball and immediately gifted it to Darvin. Because of this, Darvin and his family attended the soccer tournament the next day and they all came to Christ! We told the family that even though their earthly father had passed away, they had a Father now who would never leave them or forsake them.

**During one of the school outreaches, the kids struggled to settle, and the environment felt chaotic,** but the Spirit of God was still at work as we began to share the Gospel. Many parents were in attendance and made decisions to follow Christ!
