Your Name be the glory."*

PHILIPPINES IMPACT REPORT

October 2023

Thank you for taking the Gospel to the Philippines!

In the area around Roxas City, we visited churches and hosted affinity events for teachers and government officials. Our BMX teams were busy sharing the Gospel at over 30 school assemblies, and the week concluded with a three-day festival.

The children made this outreach one to remember! There were hundreds of young ones who welcomed Jesus into their hearts. We believe these children will grow to influence their families and community for Jesus!

Paul says in Romans 15:20, "It has always been my ambition to preach the gospel where Christ was not known." According to the locals, the city of Roxas has not had a unified outreach in 40 years. With your partnership, over 14,000 people became new believers and are now being disciplined. We are so encouraged to know that every one of these individuals matters to God, and each decision is a new story of redemption. God is changing Roxas City!

Jesus knew who needed welcoming in. One of our favorite ways to share the Gospel is through affinity events, and we had planned to invite government officials to a special event with lunch, a testimony, and an invitation to hear about Christ. Unfortunately, a big local event got scheduled at the exact same time and hardly anyone planned to attend our affinity event! Though we were discouraged at first, we were reminded of Jesus' Parable of the Great Banquet in Matthew 22, where he says, "Go to the street corners and invite to the banquet anyone you find." So we went to the streets and welcomed everyone in! We ended up providing a meal for 91 people, and over half of them became new believers.

A new member of the family! Richard was born and raised in the city. He has no family or children and has gone through challenging times in his life. He heard the music from the street and came over to the festival, curious about what was happening. The BMX riders were performing, and he loved it! Richard stayed for the message and listened to Reid share the Gospel. Afterward, he prayed with Reid, committed his life to Christ, and was overcome with a sense of peace and joy!

They've never seen anything like this before! During the week in Roxas City, we had the spontaneous opportunity to do an outreach at the local mall. The Korean band HisPop drew a huge crowd, and we were able to give out 2,000 tickets to the festival that weekend. Even the mall management was excited to see the show!

Heaven is rejoicing! After receiving an invitation from a friend at his school, Elboy came by himself to see what the festival was about. Elboy's life changed forever when he found the peace of Christ during the altar call and entrusted the burdens of his life and family to the Lord. A volunteer quickly approached him, celebrating his new life in Christ and welcoming him as a new disciple!
